

Managed Medical Assistance (MMA) Express Enrollment Impact!

Valued Providers: Simply Healthcare Plans would like to remind you of the implementation of Express Enrollment by the Agency for Healthcare Administration (AHCA) for Medicaid recipients who enroll in an MMA Plan beginning January 2016.

Express Enrollment will allow new enrollees who are mandated to participate in the MMA program to immediately take advantage of robust provider networks and access standards, and expanded benefits offered by the plan.

Health plan enrollment will be effective the same day the individual's Medicaid application

is approved.

Capitation payments to providers will not be impacted at this time. The Plan will send a notification on any future changes.
